FURTHER INFORMATION ON RABBIT CARE

We regularly add new content, review and update our pet care webpages; however we recognise that we do not currently have detailed information on all aspects of rabbit care. Therefore, in addition to the RSPCA's rabbit care webpages, you may find the following resources useful.

Please note that this list is provided for additional information only and does not imply any endorsement by the RSPCA of the content of these books, websites and other resources. By clicking on any of the links below you will leave RSPCA Online. The RSPCA cannot accept any liability for the content or availability of the website you will be accessing, and the inclusion of a link to it is not an endorsement of the material it contains.

If you are in any doubt about the best way to care for your rabbit, or have concerns about your rabbit's welfare, please contact your vet for advice.
