

RSPCA Stapeley Grange Wildlife Centre

Corporate Community Day / Team Building

Making a difference in your community

Share your staff's skills and help us to continue our work with abandoned and injured wild animals

Every year Stapeley Grange Wildlife Centre provides expert veterinary and rehabilitation care for thousands of animals in the region. Maintenance and improvements are obviously ongoing and with finances becoming tighter within the current economic climate the Centre is looking to partner with local companies to keep our busy rehabilitation centre in good condition for the animals that are passing through our care.

The Centre is keen to discuss a programme that will tick both 'working in the local community' and 'team building' boxes for companies and will help us complete urgent, small, projects. The basic idea being that a company will provide small amounts of funding that will be used to buy a pre-agreed materials list, some of which will be used by staff on the day to complete their projects.

Your Corporate Community Day will begin with an introductory talk about the work of the RSPCA and Stapeley Grange Wildlife Centre and you will be given a tour of the centre after lunch.

Previous participants on a Corporate Community Day have told us:

'I loved taking part in the community day at Stapeley. It was really great to find out about the work the RSPCA do with wildlife and to be a part of it (even if just for the day!). All the staff were really friendly and knowledgeable and would recommend anyone wanting to take part in such an event to go to Stapeley!'

Louise Drury, Barclays Bank

'Really appreciated the opportunity to give something back to nature whilst having a great laugh and getting lots of fresh air. Thank you for a great day, hopefully we'll be back next year!'

Debbie Ip, Barclays Bank

A Corporate Day at Stapeley Grange Wildlife Centre costs £100 / person. The money will go directly back into caring for more animals at Stapeley Grange Wildlife Centre and the equipment your team shall use on the day. We can accommodate up to 10 members of staff at one time. We require at least one month's notice for bookings. For further details:
