METHOD

Preheat the oven to 180°C. Mix the flour and sugar in a bowl, then rub in the butter with your fingertips until the mixture resembles fine breadcrumbs. Add the egg and vanilla essence and mix to form a soft dough.

Put the dough on a floured, clean work surface. Roll out and cut into desired shapes. Place on greased baking sheets and bake for 10–12 minutes or until golden brown.

While the biscuits bake, prepare the icing. Put the icing sugar in a bowl. Slowly add water and mix until desired consistency. Add the food colouring.

Cool the biscuits on a wire rack. When fully cooled, use the icing to decorate as you wish.

100 g oz butter, plus extra for greasing
1 RSPCA Assured egg, lightly beaten
1 tsp vanilla extract
